28 October 2025

Biography Dr. Lucie GEURTS

Lucie GEURTS is Research Manager Human Factors & Medicine at Royal Higher Institute for Defence, Belgium. Prior to that function within the Belgian Defence Research & Innovation Agency, Dr Geurts worked as a Scientific Project Manager at the International Life Sciences Institute, Europe (ILSI Europe, BE), where she was managing projects related to

Nutrition & Brain Health, Alternatives to Animal Testing and Sensory Science & Consumer Behaviour. Lucie obtained her PhD degree in 2015 in Biomedical and Pharmaceutical Sciences from the Université Catholique de Louvain, Belgium. Her research focused mainly on the role of the gut microbiota in the metabolism and physiopathology of obesity and Type 2 Diabetes.
